

CARING *for* COLORADO FOUNDATION
A Health Grantmaker

All Points Transit

Medical Transportation in Montrose County – Provide in- and out-of-county transportation to medical services for seniors and people with disabilities in Montrose, Delta and San Miguel counties.

Delta, Montrose, San Miguel

\$35,000

American Diabetes Association-Colorado Area

Diabetes Education and Health Care Navigation – Provide evidence-based diabetes education and support access to health care, case management, outreach and assistance. Link monolingual Spanish-speaking clients to medical homes.

El Paso, Pueblo, Teller

\$35,000

Bayaud Enterprises

Community Resource Navigator Program – Reduce barriers to health by providing quality care coordination, benefits acquisition and access to local resources.

Adams, Arapahoe, Boulder, Denver, Douglas, El Paso, Jefferson

\$140,000

Bell Policy Center

Public Investment and Health Policy Project – Work on addressing three public policy issues in Colorado: The lack of public investment and constitutional restrictions; negative perceptions of the public sector; and the aging population as a primary driver of Medicaid expense growth.

Statewide

\$50,000

Building a Better Colorado

Building a Better Colorado – Engage Coloradans from across the state in an honest conversation about how to improve fiscal, education, health and infrastructure policies for Colorado, and in so doing, create a brighter future for residents and future generations.

Statewide

\$30,000

Canon City Golden Age Council

Medical Transportation in Fremont County – Provide the only donation-based medical transportation service for Fremont County residents, especially the elderly and anyone living with disabilities in Canon City, Florence and Penrose.

Fremont

\$19,382

Center for African American Health

Strengthening Organizational Capacity – Capacity building to support increased organizational effectiveness to transform the Center for African American Health into a high-performing organization.
Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso, Jefferson, Pueblo

\$100,000

Center for Health Progress

Expanding Care and Coverage to Colorado's Immigrants – Identify and analyze policy and pursue solutions to address the gap in health care coverage and access for immigrants in Colorado.

Statewide

\$55,000

Clinica Family Health Services

Lafayette Clinic Expansion – Expand and combine Clinica's Lafayette clinic and administrative facilities into a 65,000 square foot medical, dental, and behavioral health campus with on-site pharmacy services. The new facility will serve approximately 10,500 individuals annually, including 3,500 previously unserved patients.

Boulder, Broomfield

\$75,000

Colorado Association of Funders

CAF Annual Program - Center for Effective Philanthropy – Advance philanthropic investments in Colorado by supporting CAF to engage with the Center for Effective Philanthropy.

Statewide

\$4,000

Colorado Center on Law and Policy

Behavioral Health Advocacy – Advocate for full behavioral health parity, advocate for payment reform to integrate behavioral and physical health, and improve children's access to Early and Periodic Screening, Diagnostic and Treatment services.

Statewide

\$59,592

Colorado Center on Law and Policy

Research and Advocacy Support – Advance the health, economic security and well-being of low-income Coloradans.

Statewide

\$5,000

Colorado Community Health Network

Protect and Improve Coloradans' Access to Health Coverage – Monitor state and federal policy changes that could impact health coverage in Colorado; use advocacy tactics to leverage options for federal policy changes to benefit low-income Coloradans; and participate and lead work groups that address health coverage for children and families.

Statewide

\$25,000

Colorado Community Health Network

Advocacy for Community Health Centers – Increase access to high-quality, integrated primary care in Colorado through technical assistance, advocacy and strategic support to grow Colorado's health care safety net.

Statewide

\$5,000

Colorado Consumer Health Initiative

Ensure Health Coverage and Access in the Changing Landscape – Conduct research and analysis, coalition building, and media and strategic communications to educate policymakers and activate advocacy organizations about proposed changes to the Affordable Care Act (ACA) and Medicaid. Develop policy responses or alternatives to any federal changes.

Statewide

\$40,000

Colorado Consumer Health Initiative

Advocacy for Health Insurance and Health Care Access – Advocate for access to affordable, high quality, and equitable health care for all Coloradans.

Statewide

\$5,000

Colorado Criminal Justice Reform Coalition

Take Care: Health Matters – Improve access to healthcare for over 100,000 justice-involved Coloradans and their families through multi-sector collaboration, training for involved professionals, and direct outreach to people involved in the criminal justice system.

Statewide

\$27,000

Colorado Cross Disability Coalition

Health Advocacy and Online Resources – Enhance and expand advocacy network for the disability community and continue to pursue advocacy opportunities to ensure consideration and responsiveness to the needs of all Coloradans with disabilities.

Statewide

\$75,000

Colorado Cross Disability Coalition

Advocacy Support for CCDC – Catalyze leadership, advocacy and investments to support individuals living with disabilities in Colorado.

Statewide

\$5,000

Colorado Fiscal Institute

Economic Equity Advocacy for Colorado – Provide credible, independent, and accessible information and analysis of economic issues in Colorado to create a more prosperous and equitable economy.

Statewide

\$5,000

Colorado Health Institute

Supporting Health in a Changing World – Support the core work of the Colorado Health Institute - providing data, analysis and expertise - to support Colorado's efforts to ensure that Coloradans are the healthiest in the nation.

Statewide

\$327,000

Colorado Visiting Nurse Association

Home Health Telemedicine: Improving Health and Promoting Independence – Pilot a telemedicine program to reduce hospital readmissions for seniors with heart failure, a growing high-risk population, as well as address nurse workforce shortages.

Adams, Arapahoe, Boulder, Broomfield, Clear Creek, Denver, Douglas, Gilpin, Jefferson

\$75,000

Community Resource Center

Rural Philanthropy Days – Support the continued operation of the Rural Philanthropy Days program (RPD) with events in Colorado's Northwest and San Juan regions in 2017. RPD provides Colorado's rural nonprofit organizations and community groups direct access to the resources, opportunities for collaboration, and professional development services they need to more efficiently and effectively meet societal needs.

Grand, Gunnison, Hinsdale, Jackson, Moffat, Montrose, Ouray, Rio Blanco, Routt, San Miguel

\$15,000

Doctors Care

Elevate Health Navigation Services – Strengthen and expand Health Navigation services so more individuals with complex health and socio-economic needs can be helped with addressing barriers to care and live a healthier life. Improve processes and procedures and introduce Health Navigation as a means to assist HealthFirst Colorado and uninsured patients served by Doctors Care and partner providers.

Arapahoe, Douglas, Elbert

\$40,138

Integrated Community

Medical Interpretation and Care Coordination – Provide medical interpretation and resource and referral services to address the linguistic, cultural and health care barriers facing the immigrant community in Northwest Colorado.

Moffat, Routt

\$25,000

Keefe Memorial Health Service District

Ultrasound Table – Purchase a new ultrasound table to improve the quality of patient care and ensure patient satisfaction.

Cheyenne

\$5,000

Keefe Memorial Health Service District

Digital Radiology – Purchase, install, and train staff on upgraded digital radiology system in order to provide more efficient, high quality patient care.

Cheyenne

\$50,000

La Puente Home

Emergency Safety-Net in the San Luis Valley – Provide a safety-net for marginalized individuals and families living in the "flats" of the San Luis Valley by connecting them to community resources to meet their health and wellness needs.

Alamosa, Conejos, Costilla, Mineral, Rio Grande, Saguache

\$100,000

Metro Community Provider Network

North Aurora Family Health Services Expansion – Support purchase of medical equipment costs for the capital expansion of MCPN’s North Aurora Family Health Services (NAFHS) center.

Adams, Arapahoe

\$75,000

Montrose Memorial Hospital

3D Mammography Machine – Promote preventive health care for women by upgrading technology to provide more accurate diagnostics and increase screening rates.

Montrose, Ouray, San Miguel

\$50,000

North Park Medical Clinic

Ultrasound Equipment – Decrease avoidable patient transfers to out-of-county clinics by purchasing and implementing an ultrasound machine for disease and injury diagnoses.

Jackson

\$12,000

Pioneers Healthcare Foundation

3D Mammography – Support the purchase of a 3D Mammography System to serve a remote and rural western Colorado community to increase breast cancer screening rates and provide higher-quality, lower-barrier care.

Rio Blanco

\$50,000

Planned Parenthood of the Rocky Mountains

Sustaining Health Care Access in Rural Colorado – Ensure 2500 patients at Granby, Salida, Cortez and Alamosa Health Centers have continued access to basic health services, such as cancer screenings and annual exams

Alamosa, Chaffee, Grand, Montezuma

\$70,000

Planned Parenthood of the Rocky Mountains

Project Support – Advocate for and provide reproductive health care services to rural and underserved residents in Colorado.

Statewide

\$10,000

Project Worthmore

Health for Colorado's Refugees – Support Project Worthmore to create a community in which all people are valued, included, and empowered through efforts to foster community, self-sufficiency and increase quality of life among Denver-area refugees.

Adams, Arapahoe, Denver, Jefferson

\$5,000

Rocky Mountain Rural Health

Community Health Worker: Improving Transitions in Care – Expand Community Health Worker (CHW) in-home services and facilitate communication with caregivers to reduce the rate of hospital re-admissions, enhance continuity of care and improve the health status of Park County residents.

Park

\$59,673

South Central Council of Governments

Medical Transportation in Las Animas and Huerfano – Provide rural residents of Las Animas and Huerfano counties with affordable and reliable transportation to specialized medical services in Pueblo.

Huerfano, Las Animas

\$35,000

Southeast Colorado Hospital District

Ventilator and Diagnostic Tool Wall Units – Purchase a Non-Invasive Ventilator (Bi-PAP machine) and two diagnostic tool wall systems to replace outdated equipment and increase the quality of care for the 1300 residents in one of Colorado's most frontier counties.

Baca

\$16,665

St. Vincent Hospital

Hematology Analyzer – Enable the purchase of a new hematology analyzer in order to continue providing critical routine emergency and primary care to rural Colorado communities.

Chaffee, Lake

\$31,000

Telluride Foundation

Rides to Wellness in Southwest Colorado – Support a rural transportation pilot in collaboration with Liberty Mobility Now, the Telluride Foundation, Tri-County Health Network and other partners to increase access to health and supportive services in Montrose, Ouray and San Miguel counties.

Montrose, Ouray, San Miguel

\$10,000

University of Colorado at Denver - College of Liberal Arts and Sciences

Bachelor of Arts/Sciences to Medical Doctor Program – Support combined-degree opportunity offering Colorado students from a broad range of demographic and economic backgrounds a continuous path to obtain bachelor's degrees at the University of Colorado Denver and medical degrees at the University of Colorado Anschutz Medical Campus.

Statewide

\$60,000

Urban Peak Colorado Springs

Health Services Program – Provide support to the Health Services Program in coordinating physical, behavioral, and mental health care needs of youth experiencing or at risk of homelessness in order to increase health and stability.

El Paso

\$20,000

Wray Community District Hospital

Imaging equipment upgrade – Retrofit current analog radiography equipment to digital in order to increase image production, better meet the needs of patients, and improve the quality of patient care.

Kit Carson, Phillips, Washington, Yuma

\$50,000

All American FAMILIES PLUS

Integrated Peer Specialists – Serve the health care needs of the vulnerable and underserved children and families in rural Delta County through the use of certified peer specialists integrated into a systems of care approach.

Delta

\$56,136

Assuring Better Child Health & Development

Healthy Steps Program for Young Children – Continue to provide model oversight, technical assistance, training and sustainability supports for Colorado's six Healthy Steps program sites to ensure children and caregivers receive high-quality, integrated and team-based care that promotes optimal child health outcomes.

Adams, Alamosa, Arapahoe, Costilla, Denver, Mesa, Morgan, Pueblo, Saguache

\$58,742

Baby Bear Hugs

Expanding and Enhancing for Sustainability – Provide supervision and support county coordinators and parent educators to enhance home visitation program effectiveness and family recruitment. Develop effective engagement strategies to enhance participation in prevention and promotion services.

Cheyenne, Kit Carson, Elbert, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Yuma

\$38,967

Boys and Girls Clubs of the High Rockies

Park County Love and Logic Parenting Classes – Increase local mental health supports and services for families through the implementation of the Love and Logic parenting program in conjunction with targeted coaching for families who need it the most.

Park

\$25,000

Bright Futures

Social emotional competency in young learners – Foster social emotional development in children under the age of six and provide additional early intervention supports through the Parents as Teachers (PAT) program and the Pyramid Model. Provide tools, individualized mentoring as well as support that enhances development and identifies developmental delays before a child enters kindergarten both in home and early childcare settings.

Montrose, Ouray, San Miguel

\$40,000

Catholic Charities, Diocese of Pueblo

Family Strengthening Programs – Provide support for programs which directly address family strengthening and early childhood development through proven programs and interventions.

Crowley, Custer, Huerfano, Las Animas, Otero, Pueblo
