

2021 Statewide Grantees

Healthy Beginnings

Baby Bear Hugs

Strengthen Parenting Support and Improve Mental Health for Families

Support pregnancy and parenting education for expecting parents and parents of young children through home visitation programs, the delivery of the Baby and Toddler Mental and Emotional Health Box, and mental health consultation.

Elbert, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Yuma

\$50,000

Centennial Mental Health Center

Early Childhood Mental Health Consultation (ECMHC) and Maternal Mental Health and Well-Being

Build capacity, develop and expand the ECMHC program to provide consultation services in primary care, hospitals and other community settings. Additionally, the ECMHC will offer screening for all pregnant clients of Centennial for maternal well-being.

Cheyenne, Elbert, Kit Carson, Lincoln, Logan, Morgan, Phillips, Sedgwick, Washington, Yuma

\$75,000

Children's Hospital Colorado Foundation

Increase Perinatal Mental Health Access and Care through Culturally Responsive Facilitated Peer Support for Black Mothers and Babies

Increase access and supports for Black moms and babies by creating a new model of care for a perinatal mental health mom-to-mom peer support group based on learnings from community engagement with Black moms.

Adams, Arapahoe, Denver, Douglas, Jefferson

\$48,000

Colorado Association for Infant Mental Health CoAIMH

Support the Infant and Early Childhood Mental Health Workforce

Increase local and regional access to professional development in infant and early childhood mental health (IECMH) for a diverse group of IECMH professionals. Professional development will include education, competency-based credentialing and reflective supervision.

Statewide

\$25,000

Healthy Beginnings

Colorado Statewide Parent Coalition

Expanding Providers Advancing School Outcomes (PASO)

Support the expansion of the evidence-based program PASO, a training for family, friend and neighbor (FFN) childcare providers to become certified early childhood educators and provide quality child care for young families. The expansion will reach more Spanish speaking Latinx FFN providers, introduce an English version of PASO, and create PASO for African refugee communities.

Adams, Boulder, Broomfield, Denver, Jefferson, Summit, Weld

\$50,000

Community Partnership for Child Development (CPCD)

Supporting Mental Health across Child Care Settings

Support a behavioral health consultant to provide mental health consultation to a diverse group of children across multiple child care settings, including family child care homes.

El Paso

\$50,000

Denver Children's Advocacy Center

Early Childhood Mental Health Consultation and Supports

Support early childhood mental health consultation for early learning centers, parents, and family friend and neighbor childcare providers in northwest and southwest Denver.

Adams, Arapahoe, Denver, Jefferson

\$60,000

Denver Health Foundation

Denver Early Childhood Mental Health Consultation Program

Provide evidence and trauma-informed early childhood mental health consultation to Denver Great Kids Head Start's program staff, families, and children.

Denver

\$75,000

Early Childhood Partners

Promoting Early Relational Health

Increase the ability of families, child care providers and systems to prevent, identify, treat and reduce the impact of mental health problems among young children.

Eagle

\$50,000

Healthy Beginnings

Early Learning Ventures

Infant and Toddler Screening and Family Engagement Project

Ensure that infants and toddlers at 40 child care sites are screened and referred to a health care provider if necessary. Provide 50 family engagement activities, and educate families and teachers in the evidence-based Conscious Discipline curriculum.

Adams, Arapahoe, Garfield, Mesa, Morgan, Pueblo

\$50,000

Elephant Circle

Community-Based Perinatal Support for Families in Three Colorado Counties

Provide non-judgmental, community-based support to perinatal families who are at-risk in Colorado. Funds will provide 80 prenatal, birth and early postpartum family visits with a doula, and culturally congruent referrals for mental health services for Latinx participants.

Adams, Arapahoe, Denver, Larimer, Pueblo

\$40,000

Family Visitor Programs

Healthy Families America & Executive Director Transition

Continue to support families through the Healthy Families America program by providing home visitation services to families in the Aspen to Parachute region; Ensure a successful transition of the longtime executive director.

Eagle, Garfield, Pitkin

\$40,000

Healthy Child Care Colorado

Infant and Early Childhood Mental Health Consultation Network Hub

Develop an effective statewide network hub to support infant and early childhood mental health (IECMH) consultation. Establish a diverse advisory team of key stakeholders in the IECMH field and further existing public-private partnership with the Office of Early Childhood.

Statewide

\$100,000

Integrated Community

Early Childhood and Parenting Support

Provide home visitation and parenting support services for immigrant families with limited English in the Yampa Valley to nurture the home and family environment for children from birth to age five.

Routt, Moffat

\$25,000

Healthy Beginnings

Invest in Kids

Child First Implementation

Support year one implementation of Child First, a two-generation program that promotes child and maternal mental health through mental health services delivered in the home by a clinical team. Child First targets pregnant women and families with children from birth through age five in which children have emotional, behavioral or developmental challenges and the family faces multiple environmental and psychosocial challenges.

Adams, Arapahoe, Boulder, Broomfield, Denver, El Paso, Jefferson

\$100,000

Invest in Kids

General Operating for State Intermediary for Evidence-Based Child and Family Programs

Support Invest in Kids (IIK) to partner with local communities to ensure the success of evidence-based programs that improve the health and well-being of Colorado's youngest children and their families. IIK supports the delivery of three evidence-based programs, Nurse-Family Partnership[®], The Incredible Years[®], and Child First which will launch this year.

Statewide

\$50,000

Kids First Health Care

Pediatric Clinic Relocation and Expansion

Purchase and renovate space for a new year-round pediatric clinic and administrative office. The result will be a more spacious, modern and welcoming health care facility that will serve more children with the medical, mental and dental care they need. The new site will be located alongside other health and human service agencies to ensure access to an array of services that together promote equity and support the overall health and well-being of children and families.

Adams

\$75,000

New Legacy Charter School

Education for Parenting Teens

Support the parenting education program, designed to prevent child abuse and neglect, increase parents' knowledge of child development, and improve parent-child bonds.

Adams, Arapahoe, Denver

\$42,000

Healthy Beginnings

Parent Possible

Enhanced Home Visiting Services

Provide enhanced home visiting (EHV) services to Parents as Teachers (PAT) and Home Instruction for Parents of Preschool Youngsters (HIPPI) sites in rural Colorado. EHV provides home visitors with reflective consultation, mental health and wellness supports, and professional development opportunities to address secondary trauma, improve workplace culture and better serve families.

Statewide

\$78,468

Rocky Mountain Human Services

Denver Early Childhood Family Navigation

Support a family navigator pilot program to close the evaluation and services referral gap for families at Denver Health clinics. This program will help parents and guardians who have barriers to successfully accessing Early Intervention developmental and/or behavioral health services for their children.

Denver

\$75,000

Soul 2 Soul Sisters

Promoting Healing and Health for Black Womxn and Their Children

Sustain and expand Sacred Seeds: The Black Doula Collective of Colorado to strengthen support during pregnancy and early parenting for Black Womxn and their children in Colorado.

Adams, Arapahoe, Denver

\$75,000

STRIDE Community Health Center

Maternal-Child Health Program

Support implementation of prenatal and newborn care education programs in English and Spanish, including prenatal engagement care manager support to address social determinants of health; furnishing of lactation rooms for healthcare staff who are nursing babies; and advancing organizational planning for the construction of a safe and affordable birth center.

Adams, Arapahoe, Douglas, Jefferson, Park

\$50,000

Tepeyac Community Health Center

Enhancing Integrated Perinatal and Pediatric Care

Improve the health outcomes of children who are medically underserved and pregnant and postpartum mothers who live in Spanish-speaking families with low incomes in the metro Denver area through integrated perinatal care.

Adams, Arapahoe, Denver, Jefferson

\$50,000

Healthy Beginnings

The Resource Exchange

Promoting Early Childhood Mental Health

Enhance early childhood mental health consultation for children, parents, and caregivers across El Paso, Teller, and Park counties and improve social and emotional skills and behavioral health of young children in an early childhood education setting.

El Paso, Park, Teller

\$35,000

Thriving Families

Support for Families During Pregnancy and Postpartum

Support pregnant and postpartum women across the Denver Metro area with four programs using evidence-based practice.

Adams, Arapahoe, Broomfield, Denver, Douglas, Jefferson

\$60,000

University of Colorado Anschutz Medical Campus

Harris Program in Infant Mental Health - Community Training Fellowship

Support the 3rd year expansion of the Harris Program in Infant Mental Health Training Fellowship to meet the needs of community-based providers serving pregnant women, infants and young children and their families. Training will include didactics designed to prepare clinicians for Infant Mental Health Endorsement, HealthySteps training, Fussy Baby training and supervision, and reflective supervision. This funding will help address the significant early childhood mental health workforce shortage in Colorado.

Statewide

\$49,500

Healthy Youth

Apprentice of Peace Youth Organization

Value of Life Youth Program

Support young people of color by building relationships, offering opportunities for leadership and character development, and creating spaces to address mental health.

Adams, Arapahoe, Denver, Jefferson

\$25,000

Black Canyon Boys & Girls Club

Behavioral Health Program for Youth on the Western Slope

Provide program support to run the evidence-based Positive Action behavioral health program for youth participating in the after-school program to help combat the pandemic-related challenges kids are facing.

Montrose

\$17,000

Boys & Girls Clubs of Metro Denver

Mental Health Services for Youth

Meet the needs of youth and improve equity in access to care through the mental health program; provide individual and family counseling, resource navigation, case management, provision of basic necessities and social and emotional lessons.

Adams, Arapahoe, Denver, Jefferson

\$55,120

Boys & Girls Clubs of the San Luis Valley

Social and Emotional Learning Capacity in the San Luis Valley

Implement research-based social and emotional learning and prevention programming to strengthen protective factors and create an institutional culture that is trauma-informed and responsive to the mental health needs of club members.

Alamosa, Conejos, Costilla, Rio Grande, Saguache

\$55,000

Boys and Girls Clubs of Pueblo County

Social and Emotional Wellness for Pueblo Teens

Support the social and emotional wellness program for teens, including a new virtual program and remote and in-person programs such as case management, learning, and skill-building for club members ages 13-18.

Pueblo

\$50,000

Healthy Youth

Boys and Girls Clubs of the High Rockies

Emotional Resilience for Youth

Foster emotional resilience skills in youth with the goal of preventing youth suicide by having a mental health provider present in each club to provide mental health services and supports to youth and their families.

Park

\$25,000

Building Bridges

Transforming Youth Development Programs

Expand support of young LGBTQ+ leaders and leaders of color in developing social and emotional well-being, resilience and agency for social change by deepening their learning and practice of relationship-building, interpersonal communication, critical thinking, facilitation and community development.

Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, Jefferson

\$40,000

CASA of the 7th Judicial District

Supporting Youth At-Risk in Montrose

Provide safe, affirming services for former foster youth and young adults at risk in Montrose County through supportive housing, a youth drop-in center as well as mental health and peer supports.

Delta, Gunnison, Hinsdale, Montrose, Ouray, San Miguel

\$20,000

Children's Hospital Colorado Foundation

Meeting Kids Where They Are: The Aurora Teen Pregnancy Prevention Collaborative

Support youth throughout Aurora Public Schools with comprehensive sex education and free health services as needed by delivering education in innovative ways and meeting diverse youth where they are, literally and figuratively, through work that is culturally responsive and diminishes barriers to access crucial, health-affirming information and services.

Adams, Arapahoe

\$55,000

Colorado Health Network, Inc.

Sustaining The Sexpert School and Expanding Capacity to Provide Direct Services

Sustain the Sexpert School program and expand partnerships with behavioral health providers to provide and incorporate trauma-informed services into the curriculum; continue to amplify leadership opportunities to youth disproportionately at risk for HIV acquisition, especially BIPOC and LGBTQ+ youth.

Statewide

\$55,000

Healthy Youth

Denver Rescue Mission

Youth Mental Health & Resilience Support

Hire and onboard a youth counselor to provide one-on-one counseling, group facilitation and other education that addresses mental health issues among youth experiencing homelessness and their families.

Adams, Arapahoe, Broomfield, Denver, Douglas, Jefferson

\$50,000

Four Corners Rainbow Youth Center

Safe and Affirming Spaces for LGBTQ+ Youth and Families in Southwest Colorado

Provide safe spaces and build strong, resilient youth and families by building skills, providing healthy pro-social activities and creating healthy connections for LGBTQ+ youth and their families.

Archuleta, La Plata, Montezuma, Ouray, San Miguel, San Juan

\$35,000

Girls Inc. of Metro Denver

Healthy Youth Programming for Girls of Color in Denver

Provide sexual health and behavioral health services for girls ages 10 to 22 living in families and communities with limited incomes in metro Denver and integrate behavioral health supports into all programming.

Adams, Arapahoe, Denver, Jefferson

\$50,000

Heart & Hand Center

Out-of-School Time Programming and Supports for Students and Families

Provide high-quality out-of-school time programming to youth ages 10-25, emphasizing social and emotional learning, overall health and wellbeing, and trusting relationships between students and adults while providing comprehensive support to their families.

Denver

\$30,000

High Valley Community Center, Inc.

Out-of-School Time Programming in Rio Grande County

Provide high-quality out of school time programming for youth in the San Luis Valley and support youth to build social and emotional skills and positive relationships to reach their goals.

Alamosa, Mineral, Rio Grande, Saguache

\$45,000

Healthy Youth

Inside Out Youth Services

Support for LGBTQ+ Youth in Southern Colorado

Sustain programming for LGBTQ+ youth and provide high-quality, consistent staffing to build trusting relationships and provide safe spaces where youth can express their feelings, build their resilience and connect to each other and trusted adults for support and advocacy.

El Paso, Teller
