Part I, Line 2 - Procedures for Monitoring the Use of Grant Funds

Caring for Colorado Centennial Fund (CCF) requires progress reports approximately every six months from every grantee. These reports are based upon the approved project plan and budget. The programmatic portion of the report asks for a description of progress on each of the grant objectives. Each progress report also requires an expenditure report that includes a line-by-line accounting of expenses from the approved budget. A signed statement from the agency executive director, or other agency representative, verifying the accuracy of the information in the report is required. Each grant is assigned a CCF staff contact, who monitors the reports and, as needed,, may schedule phone consultations or site visits to verify the information provided.
