choose when
A Caring for Colorado Initiative

Choose When Funding Awards

August 2026

Choose When provides grants to safety net health clinics to support access to contraceptive care in communities with a high proportion of uninsured and underinsured individuals and where contraceptive care is limited. Choose When aims to ensure that all contraceptive methods are affordable for all Coloradans. By offering grants to clinics across the state, Choose When eases the financial burden on individuals and ensures that contraception is available at no cost to the patient. In 2026, Caring for Colorado awarded **$1,920,000** to **37 safety net healthcare organizations** across Colorado.
